Instructions:

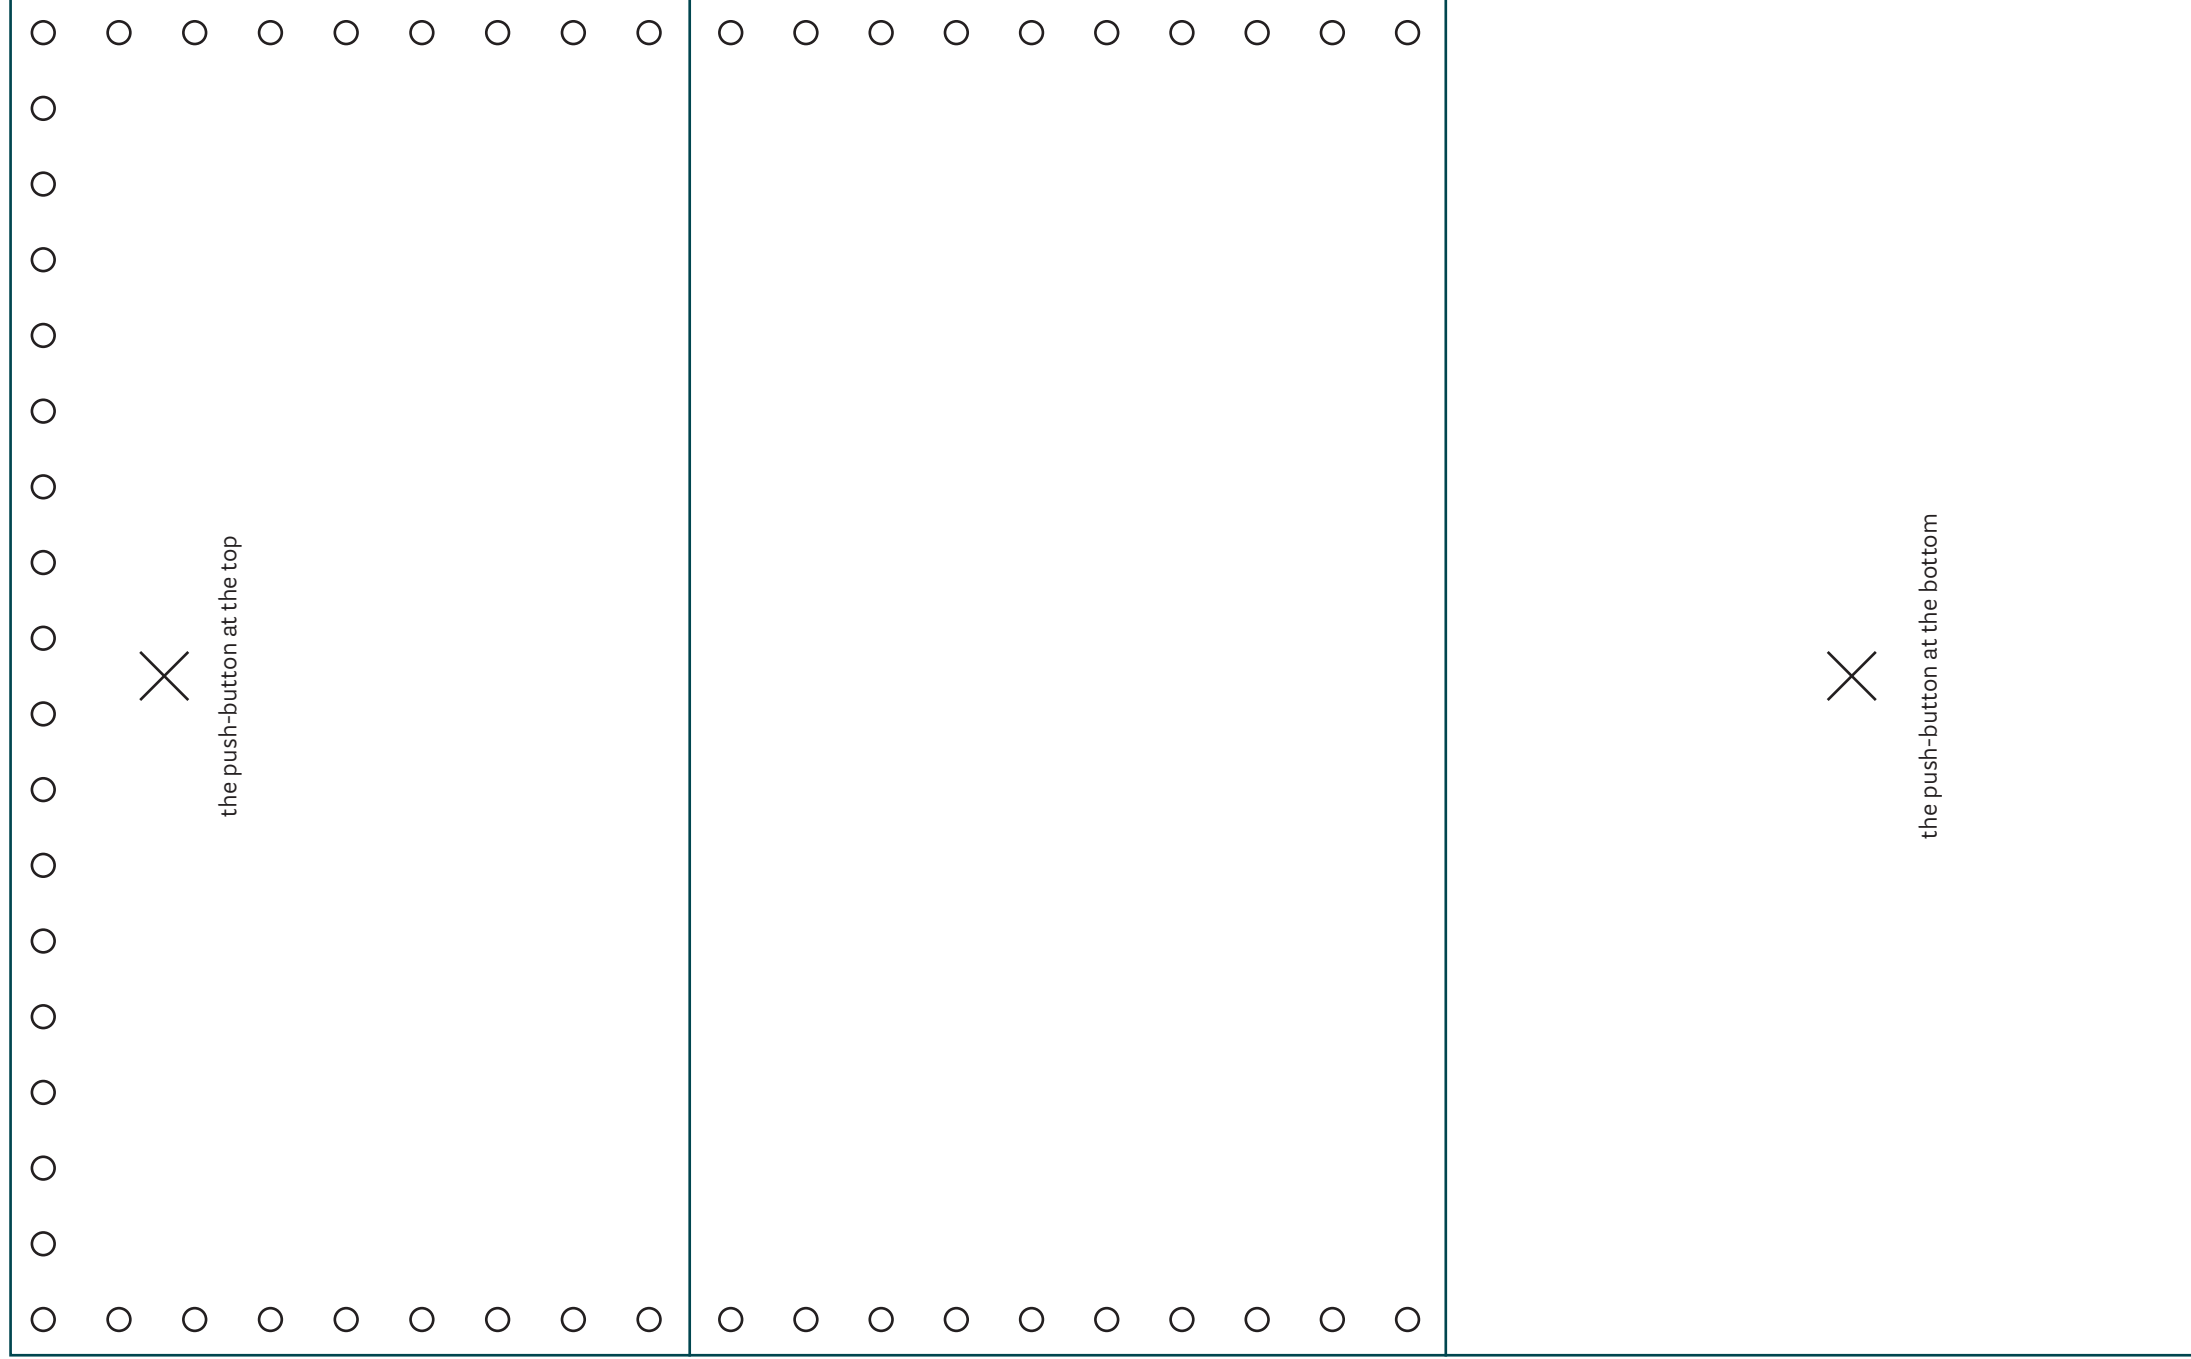

- 1** Cut out manufacture:
Cork fabric – 29 cm × 18 cm; Felt fabric: 29.5 cm × 18.5 cm
- 2** Stencil the pattern with the white Chalky Finish colour and the sponge stamp on the flap of the cork cutting, with very little colour.
- 3** Stick the cork cutting on the felt cutting with the adhesive-tape, but remain far enough away, with the adhesive-tape 1.5 cm, from the two long outer edges.
- 4** In the lower part of the cork-pouch, attach the lower button (as described in the push-button instructions) (measure 4.5 cm from the center of the short edge).
- 5** Mark the punched-holes by using the stencil. Turn down the lower part of the pouch to the flap and secure it with pins.
- 6** Afterwards, press the marked punched-holes with the punch pliers. Cut off 1.5 m yarn.
- 7** Close the pouch with a simple backstitch. Starting from the lower right side of the pouch over the flap to the left lower side of the pouch and then all back again.
- 8** Now, attach the upper push-button (as described in the push-button instructions) at the pouch-flap (measure 2 cm from the short edge).
