

HANDICRAFT TIP

Sustainable daily helpmate.
Customized to your needs.

Used items:

Delicious Cookies:

46 431 000	Bamboo storage container, square-shaped, 700 ml	1 piece
50 107 000	Decorative peel-off motif "Delicious"	1/4 piece
38 867 266	Chalky Finish, salmon pink	1/30 can
38 260 06	Marker, fine tip "S", gold	1 piece
37 319 000	Brush set „Chalky Basic“	1 piece

Additionally you need:

Detergent, masking tape, small bowl, cold water, cosmetic tissue

Instruction:

- 1 Clean the bamboo storage container with detergent and water and let it dry well out.
- 2 Now, stick the masking tape onto the container from above with a distance of approx. 15 mm and from below with a distance of approx. 10 mm.
- 3 Spread the well stirred paint Chalky Finish of salmon pink colour with a brush from the Chalky Basic brush set. After a short drying, remove the masking tape. Let the paint dry out.
- 4 Fill the small bowl with cold water and dip the cut-out decorative peel-off motif "Delicious cookies" into it.
- 5 Proceed now according to the instructions for the decorative peel-off motifs and apply the motif to the bamboo storage container.
- 6 Fix it on with the cosmetic tissue from the centre over the motif and thus absorb the excess liquid.
- 7 Remove the transparent transfer foil after approx. 3 hours.
- 8 Use the golden All Purpose marker to add dots as a decorative element on the edge of the upper colour strip.

TIP:

This applies to both containers: the storage containers can be washed by hand or directly in the dishwasher using the delicate wash cycle (up to 50°C).

Used items:

Little things:

38 885 000	Chalky Finish Blocker	1/30 can
46 428 000	Bamboo storage container, round, 450 ml, 10.5 cm ø	1 piece
50 106 000	Decorative peel-off motif "really important"	½ piece
38 867 264	Chalky Finish, pink	1/30 can
37 053 000	Brush set Hobby Kreativ	1 piece

Additionally you need:

Detergent, small bowl, cold water, cosmetic tissue

Instruction:

- 1 Prime the wooden lid with the Chalky Finish Blocker and let it dry for at least 5 days.
- 2 Clean the bamboo storage container with detergent and water and let it dry well out.
- 3 Fill the small bowl with cold water and dip the cut-out decorative peel-off motif "little things" into it.
- 4 Proceed now according to the instructions for the decorative peel-off motifs and apply the motif to the bamboo storage container.
- 5 Fix it on with the cosmetic tissue from the centre over the motif and thus absorb the excess liquid.
- 6 Remove the transparent transfer foil after approx. 3 hours.
- 7 After the 5-day drying period, you can paint the lid of the storage container with the pink paint Chalky Finish and a flat brush.
