Instructions:

1 Before the creative designing, clean the glass vase grease and dust-free with water and detergent.

2 Cover the glass vase with a Chalky Finish for glass by using a soft flat brush.

3 Allow to dry for at least 1 hour.

4 To obtain an individual vintage-look, you can sand the painted surface with a sandpaper.

5 After four days drying time, the paint on the glass vase is so hardened that you can fix it in the oven according to the instructions of the label and that way, you can wash it in a dishwasher.
